

Special Meeting  
July 8, 2014, 5:30 p.m.  
City of Oswego, KS

Present: Councilmembers Dee Brown, Darren Tynan, Kelly Vance, Susan Bringle and Jane Rea with Mayor Glenn Fischer presiding.

Absent: Councilmember Bill Owens

Also present: City Clerk Carol Eddington, City Superintendent Calvin Jurgensen, Heather Brown and Marna George.

The special meeting was called to discuss special pricing of airport fuel. Supt. Jurgensen reported that the city received an email from AirNav letting their airports know that they have received requests from pilots planning their upcoming flights to the big fly-in in Oshkosh, WI, asking AirNav to publish any fuel discounts available during this time. To assist both pilots and airports, AirNav is creating a webpage for airports to display their AirVenture fuel discounts – at no cost to the airports. This page will appear prominently on AirNav.com from this Friday, July 11<sup>th</sup> through the end of AirVenture on August 3<sup>rd</sup>. For AirNav.com customers (which we are), they will include our promotional discount as well as a link to our AirNav Business Details Page.

Jurgensen proposed taking part in this as a way of attracting attention to the airport and getting more traffic by offering a temporarily discounted price of \$4.95 for July 28<sup>th</sup> – August 3<sup>rd</sup>.

Jurgensen also proposed to place a flyer on the bulletin board at the airport before these dates, announcing that there will soon be hangar space available if anyone is interested in building a hangar.

Rea made a motion and Tynan seconded to approve Supt. Jurgensen's proposed temporary discount to the airport fuel price. Motion carried.

Brown made a motion and Bringle seconded to adjourn the meeting at 5:32 p.m.
